

# INTERMEDIATE WORKSHOP

With Nancy Schwantes

Starts Saturday, April 25

Spring Mountain Bridge Club

---

Spring Mountain Bridge Club is pleased to announce the restart of the intermediate workshop with Nancy Schwantes. Nancy, a Gold Life Master, is an ACBL accredited teacher and director. The workshop is a bargain at \$10; for those who attend the workshop, the game following the workshop is only \$7. The 12:30 game is open to all and for those not attending the workshop the cost is \$8. **At noon, we will have a light lunch.**

The first lesson on April 25 will cover negative doubles and their effectiveness. Every lesson will include card play, tips, and problems. It's a great time to fine tune your skills before the June Regional.
