JOIN US TO CELEBRATE THE LIFE
OF BARBARA VASILEVSKY

We are mourning the loss of a friend and talented associate. With energy, enthusiasm, and creativity, Barbara made life more joyful for all bridge players. It was an honor to share our lives with her. Forever in our hearts...never forgotten.

Help us remember Barbara during STaC week. STaC games are scored across all clubs in the western US holding STaC games and provide an opportunity to score Silver Points. It will be a wonderful way to honor Barbara who encouraged players to participate in grass roots events, like STaC games, and was always recruiting volunteers to help with whatever event was upcoming.
